UNLEASH YOUR UNSTOPPABLE CAREER AT MAGILL CAMPUS

Discover where a degree in creative industries, film and television, visual effects, journalism, communication, education, psychology, social work, social sciences and arts can take you.

Jump on a campus tour to explore our industry-standard spaces and studios, and check out a series of short films made by our students! Learn more about your career options at a presentation, connect with future teachers, get individual application support, and more.

PRESENTATION SCHEDULE
